Zadanie 1.

Tekst 1.

Chłopiec: Listen, Meg, it was a wonderful idea! This CD you gave me for my birthday is great! Thank you so much.

Dziewczynka: Oh, I'm glad you like it.

Tekst 2.

Dziewczynka: I'm Monica. I have a younger sister, Claudia. She's in class 5A. She's a very good student. I've got a brother, too. He studies in London.

Tekst 3.

Chłopiec: Mum, what are you doing after work today?

Kobieta: I'm going shopping.

Chłopiec: I can go with you. And later we could go for a walk and have some ice-cream together.

Kobieta: OK. Great idea!

Zadanie 2.

Dialog 1.

Kobieta: Mark, why aren't you writing? What's the problem?

Chłopiec: I've got a headache and I feel sick.

Kobieta: Hm, I'll call your mum and ask her to come and take you home. Pack up your books now.

Chłopiec: What about the test?

Kobieta: Don't worry. You can write it next week.

Dialog 2.

Kobieta: What's the matter, John?

Chłopiec: I've got a temperature and I feel awful.

Kobieta: Sit here, please. Now open your mouth. *[Pause]* Hm. It's only a cold but you must stay at home this week.

Chłopiec: But my class is going to the cinema tomorrow. Can I go with them?

Kobieta: Certainly not. Hot tea, a good book and one week in bed. And now I need to talk to your Mum.

Dialog 3.

Kobieta: Can I help you?

Chłopiec: Well, my brother's ill and I need a book for him. He loves detective stories. Do you have *The Adventures of Sherlock Holmes*?

Kobieta: I'm afraid somebody borrowed it but you can have the film on DVD.

Chłopiec: Good idea! When should I bring it back?

Zadanie 3.

Nauczyciel: We're leaving in 10 minutes. The boys are already on the bus but some girls are late.

Nauczycielka: Don't worry! We still have some time. Look! There's Kate, running with a big backpack on.

Nauczyciel: Oh my goodness. What's she got in there? And who's that girl talking on the phone? Is it Alice?

Nauczycielka: No, Alice is over there. She's riding her bike.

Nauczyciel: Oh yes, I see. And what about Susan?

Nauczycielka: She's in the car, talking to her mum. They arrived long ago. But look at Martha! Why is she walking her dog? She'll be late!

Nauczyciel: Don't worry. She's not coming with us. She has a piano exam today.

Nauczycielka: Oh, I didn't know that.

Zadanie 4.**Tekst 1.**

Kobieta: What did you eat at school?

Chłopiec: I bought something in the school cafeteria.

Kobieta: I hope it wasn't chocolate again.

Chłopiec: Today I bought a banana and an orange. I ate the banana but gave the orange to Susan.

Tekst 2.

Kobieta: Class, can I have your attention please? Tomorrow you won't have Maths at eight o'clock because your teacher is ill. You'll only have English at nine o'clock. Later, at 10 o'clock we're going to the theatre. Please, remember to wear something smart.

Tekst 3.

Dziewczynka: This is a photo of our new house. I'm very happy because the house has a big garden and I can play with my dog there. My room is upstairs. It's got a balcony, so in summer I can sit there and read.

Tekst 4.

Chłopiec: Hi, Maggie! Tom here. When are you coming back home?

Dziewczynka: In half an hour. Why are you asking?

Chłopiec: I've got a surprise for you. We're going to have a pet.

Dziewczynka: Great! Is it a dog?

Chłopiec: No, sorry, I know you love dogs but it's a little cat. I found it near my school and took it home. It's so sweet.

Dziewczynka: But I'm worried that Mum won't agree. She even said "no" to a hamster.

Tekst 5.

Kobieta: Ann, dinner is ready. Please put the plates on the table and then sit down.
